**Terms & Conditions**

*These Flat Rate charges include all Time & Materials necessary to return your radio to original operating condition. This does not include any radio damaged by abuse or misuse, case parts, antennas, batteries, and accessories. All radios still under manufacturer warranty and that do not display signs of physical damage will be repaired at no charge. Any radios that are not listed, or do not meet these conditions, will be repaired at current rates. Shipping is not included in the Flat Rate. Return shipment is via UPS ground. Air delivery is available at an additional cost.*
